***Inverness Graham-backed Corsica Technologies Acquires EDTS & EDTS Cyber
Managed IT Services Platform Expands Footprint and Adds Advanced Cybersecurity Capabilities***

Philadelphia, PA, June 7, 2019 – Inverness Graham Investments, a private investment firm targeting innovative tech-enabled manufacturing, service and software companies, announced today that its managed IT services platform, Corsica Technologies, has acquired EDTS, LLC and EDTS Cyber, LLC (“EDTS”). Based in Augusta, GA, EDTS is a full-service, Managed IT Solutions Provider (“MSP”) serving small to medium-sized organizations that also operates as a world class Managed Security Services Provider (“MSSP”) delivering critical security services to help clients protect their data.

“Corsica’s acquisition of EDTS allows us to strategically expand our geographic footprint into markets with similar size and maturity characteristics,” stated Trey Sykes, Managing Principal of Inverness Graham. “EDTS broadens our platform service capabilities and strengthens our operations and technical know-how in the areas of security, automation, and compliance. Our focus remains on delivering exceptional service to our growing customer base while continuing to add critical strategic capabilities to our platform.”

Dale Walls, CEO of Corsica, stated, “EDTS’ customer base is ideally suited for our combined and growing platform that caters to small and medium-sized organizations requiring high-quality, reliable IT solutions. We are continually upgrading our service offering for our customers by combining industry leading solutions that are delivered locally by our customer centric, service-oriented teams. As an example, with our new, advanced security and compliance offerings, we will be even better positioned than ever to protect our small and medium-sized customers that are under increasing threats from cyber-attacks.”

Inverness continues to seek acquisition and partnering opportunities with established regional MSPs of over \$5 million in revenue that serve the small to medium-sized business segment and operate in the highest growth regional markets across the U.S.

Terms of the acquisition were not disclosed.

About Corsica Technologies

Corsica Technologies is a Managed Service Provider (“MSP”), providing small and medium sized businesses with outsourced IT services such as systems monitoring, network management, helpdesk support and onsite services. Corsica’s service portfolio includes desktop and server support, networking and connectivity, remote monitoring, backup and recovery, and help desks and VoIP management, in addition to a broad portfolio of other IT services.

About Inverness Graham Investments

Headquartered in Newtown Square, PA, Inverness Graham is an operationally focused private investment firm with over \$500 million of assets under management. Inverness Graham acquires innovative tech-enabled manufacturing, service and software companies. Our approach is as unique as our heritage. Founded by senior executives of the Graham Group, a family owned multi-national industrial concern, we bring unparalleled resources developed over a 50-year operating history to support our portfolio companies. Inverness Graham partners with businesses to provide the financial and operational support necessary to accelerate growth while enabling owners to achieve their key liquidity objectives.
